**Re: Support for Kalispell City Airport**

Dear Mayor Fisher and Members of City Council:

The Kalispell Chamber of Commerce continues to support the Kalispell City Airport as an important public amenity, job and economic driver, and significant part of the transportation system of the Kalispell region.

We are skeptical that new research and analysis will reveal that the citizens of Kalispell are benefited by its deterioration, relocation, or diminishment, but will withhold our final recommendation on the draft alternatives offered by the City's consulting engineers until this public comment period is closed and all the comments have been reviewed.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Unterreiner".
